

[For Immediate Release]

China Gas honored in “2016 All-Asia (ex-Japan) Executive Team Ranking” of the authoritative US magazine *Institutional Investor*

(Hong Kong – 8 July 2016) China’s leading piped-gas operator **China Gas Holdings Limited** (“China Gas” or the “Group”; stock code: 384) announced that it has been named one of Asia’s “Most Honored Company” in “2016 All-Asia (ex-Japan) Executive Team Ranking” compiled by *Institutional Investor*, an authoritative publication for institutional investors in the US. The Group also won three awards in the energy and power category including “Best CEO”, “Best Investor Relations Professional” and “Best Investor Relations Program”, attesting to its outstanding performance in investor relations and long term commitment to maintaining active and effective communication with the investment community.

Institutional Investor is one of the most authoritative publications for investment institutions in the world. It publishes research reports and analyses of different industries mainly for the reference of Wall Street and financial institutions around the world. The “2016 All-Asia (ex-Japan) Executive Team Ranking” was arrived at after several thousand listed companies in the region were evaluated, reflecting the views of 582 financial institutions and close to 1,400 investment experts.

Mr. Liu Ming Hui, Executive Chairman, Managing Director and President of China Gas, said, “China Gas is proud to be named as one of Asia’s ‘Most Honored Company’ as well as to obtain three awards in the energy category. These honors represent the investment community’s vote of confidence in our corporate governance and investor relations performance, the fruit of the efforts made over the years by us in maintaining close communication with analysts and fund managers. China Gas has grown rapidly since it began business, and as we actively expand our gas project network, we have also strived to enhance corporate governance and our company’s management culture, improving operational standards by stressing continuously the ‘Systemized, Standardized, Institutionalized’ management principle. We also maintain close contact with the investment community and keep the market up to date on the latest development of the Group and the industry. We are very encouraged by the recognition from *Institutional Investors* and will continue to work harder in the future to repay investors for their support to and confidence in China Gas.”
